(marked according to ADR - 4H2W/Y2/S/16 BG/CPP 22)

produced by

“PIRINPLAST” AD

This certificate attests that **Center for Testing and European Certification /CTEC/ – Product certification body** has performed assessment of the product type and has established conformity of the product with the basic requirements of the following producer's technical specification:

TC CPP 22-001-2016

Applied test methods: **BDS EN 22248:1996, BDS EN ISO 2234:2003**

The product description, documents and evaluations of the examination are presented in the Report No. 16-C-0010-01/2016 that is enclosed to this Certificate.

This Certificate is issued under following conditions:

- 1. It applies only to the above referenced type of product.*
- 2. It does not imply that the CTEC has performed any surveillance or control of its manufacture.*
- 3. It does not attest that CTEC has assessed and classified product according to European Agreement concerning the International Carriage of Dangerous Goods by Road (ADR).*
- 4. The Certificate holder is obligated to assure that all products of the respective model conform to the type assessed by this Certificate.*
- 5. The Certificate holder is obligated to inform the CTEC - Products Certification Body on the raw materials and/on technology changes that could affect the certified product properties.*
